In order to help us better serve your student, please answer the following questions thoroughly and provide course and scheduling requests below:

1. Is this a course your son/daughter is: 1. Taking for the first time or 2. Repeating?
2. Would your student like to attend: 1. M-F for 1 hr/day, 2. M-F for 2 hrs/day, 3. M-Th for 1 hr/day, 4. M-Th for 2 hrs/day, or 5. Other: _____
3. Are there any dates your son/daughter will be on vacation?
4. What is your preferred start date for taking the course(s)? _____
5. Is there anything else you would like us to know about your son/daughter?

6. Instruction is usually one-to-one, as this generally maximizes each student's ability to move at the ideal pace and with the learning approach that best suits him/her in the goal

of achieving 80% or higher mastery level. On occasion, we can arrange a group class of 2-3 students, but cannot guarantee this, as we need to match the dates of availability, time of day, and learning pace of the students. In addition, if we determine that the class is not working once it is under way, your student may end up with a one-to-one course.

Would you like us to try to arrange a group for your student?: Yes No
